## Leader-In-Resident Luncheon Featuring Piyush Patel

The Center for Ethical Leadership is thrilled to have Piyush Patel join us for a luncheon. Piyush is an alumnus of OSU and has many years of experience in entrepreneurship and most recently is helping raise funds to go toward non-profits in Oklahoma through his wine-making business. As an entrepreneur with more than 20 years of experience, Piyush Patel became an innovator in corporate culture as he grew his company, Digital-Tutors, into a leader throughout the world of online training, educating over 1.5M students around the globe along the way. Piyush is an avid member of the Entrepreneurs' Organization of Oklahoma, sits as an Advisory Board Member of Regent Bank and The Trust Company of Oklahoma, and continues to advise and speak at local universities and companies around the country. He has won numerous awards acknowledging his entrepreneurship as a trend-setter in our community. When he's not mentoring new entrepreneurs, you can find him playing video games with his son, Nick, cooking something delicious in the kitchen or planning a fresh adventure with his wife, Lisa. For now, Piyush's current business journey takes him to wine country in California where he and Lisa are proud owners of Canyon Lakes Winery in Napa. Every bottle of their high-end wine makes a difference to Oklahoma non-profits. His hope is to leave a positive, lasting mark on those who cross his path.
